WHY GOSPEL FOR ETHIOPIA?

In Ethiopia as well as Africa in general, Christians are excited and fervent in their faith. They are on fire for God, even in the face of trials and persecution!

The problem that many pastors and evangelists in Ethiopia face, however, is a lack of resources and opportunities both for equipping themselves and for training those they disciple and shepherd.

Pastors and church leaders are hungry for education and training, but the material and opportunities available, especially in their native language, are expensive and scarce.

We here at Gospel for Ethiopia (GFE) have seen that God is blessing the ministries of these pastors and evangelists. We believe in what they are already doing and we are passionate about partnering with them.

What will this partnership look like? By God's grace and for His glory, GFE will provide heart-language education, literature, and ministry tools.

The Ethiopian pastors and evangelists will lead their local churches or ministries, preach the Gospel to the lost and unreached, and disciple their flocks in the ways of Christ.

Together, we are working to fulfill the Great Commission of our Lord in Matt. 28!

OUR PRESENT PROJECTS

- ◆ Translating the Third Millennium Ministries (www.thirdmill.org) seminary courses into Amharic and dubbing these onto the IIIM DVDs. This is being done in cooperation with indigenous Ethiopian ministries which plan to give seminary training to 80,000 pastors, evangelists, and ministry workers by 2020.
- ◆ Translating theological and pastoral books from English into Amharic. These include *Christ Centered Preaching*, *Man Overboard*, and *One-to-One Bible Reading*.
- ◆ Holding relevant conferences for pastors and evangelists in Ethiopia across denominational lines.
- ◆ Connecting English-speaking pastors and evangelists with online study tools through resource centers.

HOW TO GET INVOLVED

- ◆ Pray. You can join GFE's efforts by lifting this partnership up to God. If you do one thing, do this. Sign up for our prayer updates on our website to stay informed. Please pray especially for our Third Millennium project and Ethiopian pastors, evangelists, and their churches.
- ◆ Financially support our ministry. We need your support! Our seminary translation project will cost around \$250,000 over five years. This works out to \$3 per pastor getting a seminary education. Could you help 10 pastors for \$30 or even 100 pastors for \$300? To donate, please visit our website or send a check to Gospel for Ethiopia at 1125 Coneross Point Drive, Seneca, SC 29678.
- ◆ Become a GFE Ambassador. We need Ambassadors to take the vision of GFE back to their local churches. We will provide Ambassadors with informational materials and you then simply spread the word!
